BMC MEETING

**Tuesday, August 3rd @ Matilda's Restaurant, Rte 896, Newark, Dela.
6:30 P.M. dinner / 7 P.M. Meeting**

Chair Chatter

I hope this month finds everyone handling the heat; the high temps make it hard to enjoy outdoor activities.

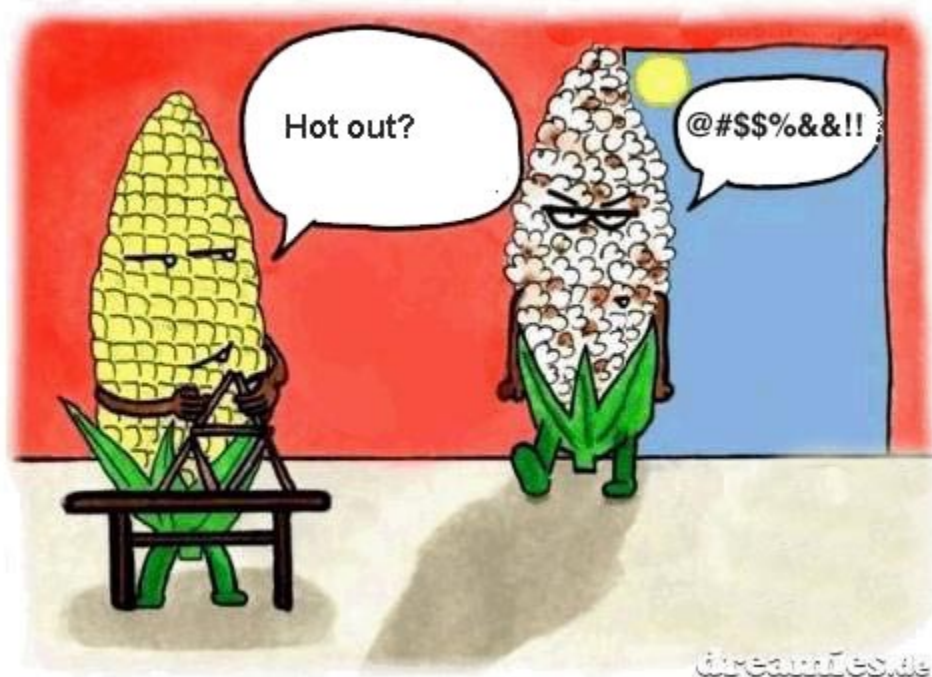

Keep BMC member, Dan McIntosh in your thoughts over the next few weeks. Dan has embarked on a journey across the USA in his newly restored Triumph TR3. He is driving across America to help promote The Leukemia and Lymphoma Society's mission to cure blood cancers. Dan lost his wife, Bernice McIntosh, to lymphoma and he has decided to travel across the country to raise funds and awareness of these blood cancers. Dan was driving his car at the last autocross as a pre-trip test for the car. I encourage BMC members to help support Dan. Check out the website at: www.de.llsevent.org/coasttocoastforacure. We look forward to having him share his experiences when he returns home.

The August 3rd meeting will have more from our Webmaster, Shawn Dewey, on the details of how our website is progressing. He may also have a race report from Grand Am race weekend, where he qualified 6th in class in a field of 29 cars. We will also be having our 3rd autocross in just a few weeks on Saturday, August 14th. We need to figure a way to bring out some Ice Cream for Ed.

Tell your friends and bring out others that may be interested in joining the club. See you on the 3rd.

Chilling Out,

Paul Alderman

Rally Notes

Rally activity that I am aware of seems to be going slower and slower as the summer wears on. Of course, we have no activity of our own just now. The nearest one is the weekend of August 7th and 8th, with South Jersey Region staging an event on each day. Both events employ a Tour Rally course like the March Lamb's. It's less than an hour drive to the start location in Jersey. If interested, get in touch with me for more info.

My recent activity includes a trip to St. Louis for a pair of National events. We finished 6th on the Course event and 4th on the Tour event; just a so-so result.
