AUTOCROSS

HARRY SMITH

The 23rd running of the Lofland Memorial Autocross was indeed a memorial event. The most comfortable weather all year and 67 Marios and Marioettes came out to try their winning driving skills. When the smoke had cleared, the large Jack Lofland Silver Bowl went to a good friend and excellent Autocrosser, Vern Lyle. He's been at this game almost as long as I have, and after innumerable First in Class wins, his name now gets engraved with the last 22 years of the most tenacious and skillful FTD'ers at this event. Stiff competition was provided by Tom Disque, who lost out to Vern by only .019 second. Twasn't an easy victory for Vern. Congratulations from all of us at BMC!!

OTHER HIGHLIGHTS OF THE DAY:

- o Susan Bower won the STD Trophy for her very relaxed and "Don't hurt the new car" approach to driving the course...
- o Al Kynstatus followed up his first ever FTD win with another first in class ...
- o Bob Kingston took a second in C/S with his 914 - but his wife Judy was only .75 seconds slower and in the same car. He might be in trouble if his wife decides not to run in the Ladies Class...
- o Jim Irons brought the big four door Ford sedan in for a third in G/S. Talent shows no matter what the car...
- o Mark Weidel had a fun time ricocheting his MGB around the course off the pylons...(That's why we use rubber ones!)
- o I guess Vince Suddard will learn the consequences of beating the time of the guy who lets you drive his car...
- o And speaking of George Alderman, he must have taught his son Paul well...He outdrove his father in the same car by one and one half seconds!
- o Brad Klein put on a great show for the spectators...
- o And Sam Carson proved to everyone that all Citations are not dogs!!

Thanks to everyone who ran and worked to help make this event a successful one to close the 1988 BMC Autocross season. My special thanks to the Autocross Committee...

- o Bruce Perry for his challenging courses; Mike Novak for providing course workers all day long; Stan Roper for the timing equipment and computer; Ellen Roberts who helped Mike and was really thrilled to be able to work the timer

equipment at the last event; and Al Kynstatus who wore many different hats throughout the year. Now all we have to do is prepare for the annual Awards Banquet on January 21st with workers awards and year-end trophies. I'd better not try to list the many more people who helped us in many ways to make these events happen and who we could not have done without because I'll probably miss someone, so thanks to you all!!

Hope to see y'all at the banquet. And then there's 1989.....!!!

BMC CHRISTMAS PARTY/MEETING - DECEMBER 2nd

We hope Yule be at the December 2nd BMC Meeting and Christmas Party at Bill & Karen Duncan's Love Your Car Appearance Centre. This will replace the regular meeting at the Delcastle Inn. We're supplying sandwiches, snacks, beer, and sodas - all that you supply is the fun! We're hoping to have some interesting cars for you to peruse, and just for fun, you can have your picture taken with a Rolls-Royce. The flyer with full details and directions is elsewhere in this Gasline.

BMC AWARDS BANQUET ON JANUARY 21st!

Ach du Lieber! The theme for this year's BMC Awards Banquet ist German. It will again be held at Oliver's in the Holiday Inn at I-95 and Rte. 273 in the Newark area. Menu details haven't been fully worked out at this writing, but we will have German food und muzik at this year's banquet. Since this theme is a little tough to dress for, we're leaving it up to you -- if you want to dress German, please do, but don't stay away 'cause you don't have anything Teutonic to wear. The BMC Autocross and Rally Championship Awards will be presented along with Workers' Awards for both series. A flyer with full details will be sent out with the January Gasline.

HALLOWEEN PARTY: We had some interesting and scary trick or treaters show up for the BMC Halloween party on November 3rd. We didn't have a huge turnout, but I kept my eye out for you. Thank you to Jan Klair who brought along Maui Chips for everyone. The costume judging committee couldn't decide on the best costumes so Bill Duncan generously gave away more prizes. Harry Smith (Freddy) and Eric Bock (Death) won the male costume awards, and all of the ladies won a costume prize; Vanna Kleinschmidt had a costume that was maid to order. The winners have their choice of a hand car wash or engine cleaning at Bill's Love Your Car Appearance Centre.

Dear Friends,

This will be the last time that I will be writing to you as your chairman. The year has flown by so quickly that I hardly realized that it was nearing the end of another season.

All of the competitive events have been held, some of them very successfully. Harry Smith and Jack O'Leary are now in the process of tallying up the championship points and getting the prizes for the year-end awards which will be presented at the annual awards banquet. Workers will also be remembered at the banquet when they also receive awards. Many thanks to all of you who supported the rallye and autocross programs this year.

Thanks to all of you for your help this year and for the confidence that you gave me to be your chairman. The support and hard work of the Executive Committee was limitless. I couldn't have done anything without them.

Our last general meeting for this year will be on Friday, December 2 at Bill Duncan's shop. The election will be held at this time and then we'll have a good old party. Please make time in your busy schedule to come to this last meeting. See you there!

Fondly,

Hazel
