A photograph of a red vintage car, possibly a Morgan, on a paved track. The car is viewed from a front-quarter perspective. A driver is visible in the cockpit. The car has a white grille and round headlights. The text "Lean Angle 101" is overlaid in a bold, italicized, black font with a white outline. The background shows a chain-link fence and trees. Orange traffic cones are visible on the track. A grey L-shaped graphic element is positioned on the right side of the image, partially overlapping the car and the text.
